

Arab Mining

International Conference and Exhibition on
Mining, Minerals and Materials in the Arab World

23-24 October 2017
LONDON, UK

ABOUT THE EVENT

We are very excited to present to you **Arab Mining**, the annual international investment forum on mining, minerals and materials in the Middle East and North Africa.

Held in London, the global industrial centre for mining, **Arab Mining** will draw together regional mining companies, government decision makers, mining-focused investors and expert service providers. You will enjoy a detailed agenda packed full of investor presentations, market analysis, and what steps to take to secure funding for your projects.

Arab Mining will showcase the outstanding potential of mining and minerals in the Arab World. The event will focus on technology transfer and investment promotion, with a particular focus on the needs and requirements of Arab governments and producing mines. Join us in London for 2 days of unparalleled networking, investment discovery and exciting new business opportunities.
